

A NOTE FROM OUR FOUNDERS ...

If we've learned anything from the past couple of years, it is to stay positive. This is reinforced every day by our employees, and now our first class of trainees. We are so excited to see this group of energetic women and men grow week by week. We began 2022 wondering what our first post covid year would look like. We end 2022 looking optimistically toward the future!

We are seeing the steady growth of our employees, with some heading out on their own. They are confident and determined. Many of the skills that they have learned, such as self-advocacy will help them in their new roles and life's endeavors. Our work is never done and the need to grow and support our training program is vital to our MISSION. As the founders, we are grateful to the local businesses who have stepped up to hire those we have trained. If you or anyone you know would be interested in hiring highly motivated employees with great work ethic, please let us know!

As 2022 winds down, we look forward to 2023 with great optimism. We will have five ten-week training programs. Our Help For Hunger program will continue to serve meals to our neighbors facing food insecurity, having served over 22,000 meals since inception. In the cafe, our staff stands ready to deliver top quality food and service. Thank you for all that you have done to get us to this point. We would not be here without your support, our team and dedicated volunteers. We look forward to reaching even greater heights in 2023 together!

With Gratitude - Mark and Stephanie Cartier, Founders

Winter 2022 NEWSLETTER

VOLUNTEER SPOTLIGHT: *Kirsten Rennard*

It's a family affair at No Limits Cafe. Kirsten is founder Stephanie Cartier's sister. She remembers vividly when Stephanie gave birth to Katie because it was the weekend of her 30th birthday. The journey they began then learning about down syndrome and intellectual disabilities. Kirsten recalls **"A Call to Action & What Can We do Better?"** by Stephanie. Those were the seeds of the No Limits Cafe twenty plus years ago. Looking around the Cafe she fondly points out all the hands-on work it took to make the Cafe the warm and inviting space it is today. Truly a labor of **LOVE!**

Raised in Old Bridge with 5 other siblings mentioning of course that Stephanie is the "oldest." Kirsten lives in Red Bank, NJ with her husband Sam and four very active children 22,19,17,13.

You'll find her in the front of house at No Limits Cafe every Tuesday, working alongside Jake, Jimmy, Tyler and Matthew which is the highlight of her day! Her role is to assist the staff as needed - which she adds: "they need little direction because they have come a long way. The progress the staff has made is remarkable."

How is it working with your sister? ***"I'm very proud of her and her family and what's been accomplished here. I wish my Dad and Grandmother were here to see all of this! It's impressive..."*** Kirsten Rennard, volunteer

Favorite menu item: PJC Thanksgiving sandwich - seems to be the favorite here. Thank you Kirsten for your time, dedication and passion.

OUR MISSION

To EMPOWER adults with intellectual disabilities by providing jobs and job training to help them lead fulfilling lives within our community and to increase awareness of their potential.

NLC is going Hollywood: Our Cafe was used as a film location for the production of "I Love You Maria" a heartfelt story of love and life choices, a couple's journey when they find out their baby will be born with down syndrome. Extras on set were provided by our very own talented employees Katie Cartier, Mark Feeney, Hayley Lawrence, Jimmy Smith and Meghan Vadon, who had a touching moment with the main character. The film is in final production with a release date TBD.

Our employee Jake is an accomplished artist and his pieces will be featured in our First Annual Art Auction launch in March. In addition to all his accomplishments here at NLC Jake was offered a new position at The Coffee Corral in Red Bank, NJ along with Tyler - well done!

On Nov. 6th Chef Kali, along with nine other runners, participated in the NYC Marathon - raising funds and awareness for NLC.

Christian has accepted a position at Circle Hyundai in Shrewsbury!
Congratulations, we'll miss you!

MEET THE STAFF - Monika Lee

Monika (left) is photographed with
Lisa Loshav BOT and Lori Seggio Volunteer

Monika recalls that she's always volunteered even when she was working full time in Manhattan.

"I love it here - it's a great place - it feels good"

Monika came in on Saturdays and volunteered in dishwashing. Her 40 year career as a Legal Assistant ended, and as that door closed, a new door opened at NLC. She volunteered almost everyday. Soon she was approached with a full time position which she jumped at. **"It's not just a restaurant, it's a family and I see the spark in the employees' eyes."** Her duties are many as she assists Chef Kali with back of house duties and helping employees to be their best..

Monika is a true Jersey Girl having grown up in Jersey City - married the love of her life, Ken, made her way to Middletown NJ where they raised their son. She recently has the new title of mother-in-law as her son has recently married and is now living in NYC. Congratulations Andrew & Katie!

Oh did you know that Monika has a twin sister Ryta who also volunteers at NLC? Actually she's one of three sets of twins in her family of eight siblings!!!

How has NLC changed your view on people with intellectual disabilities?

"Everyone is an individual with many talents and when you come here you see that everyone has a purpose. You see the progress that each employee has made...and it's a good feeling!" Monika Lee

Favorite Menu Item:

Grilled swiss cheese sandwich with red onion!
